

Thank you very much for your interest in being a volunteer in the Beaverton School District!

With nearly 41,000 students in 53 schools, there are many ways a volunteer can help. Volunteers can help tutor or mentor a student, assist in the library or cafeteria, help with school beautification projects, judge a science fair, help coach a team and much more.

## [myvolunteerpage.com](http://myvolunteerpage.com)

In the new District-wide Volunteer Management System (VMS), all volunteers need to complete an application and background check. Once the background check is cleared, a profile will be created. Through [myvolunteerpage.com](http://myvolunteerpage.com) volunteers will be able to update personal information, view and sign-up for open volunteer needs, and communicate directly with the school Volunteer Coordinator. Volunteers will be able to use this profile from their first volunteer activity to their last.

For directions for creating a profile with [myvolunteerpage](http://myvolunteerpage.com), [click here](#).

### **To apply, please follow these steps:**

1. Please fill in all flagged (required) fields
2. Click the "Submit Application" button - You'll know your application was successfully submitted if you are taken to confirmation screen, if you remain on the same page, you have missed a required field. On the application page, click on the information icon for more information or specific questions
3. **You will create a unique username and password as part of the application process. Please write down and retain your username and password for entry into the site.**
4. You will receive an email approval from the Beaverton School District. Once you receive that confirmation email, please visit [myvolunteerpage.com](http://myvolunteerpage.com) to sign-up for volunteer opportunities.
